To members of the SCFA and UCSC Senate Faculty :

Below is a statement and petition authored by the Berkeley Faculty Association, opposing the Steinberg bill. The Santa Cruz Faculty Association is circulating the Berkeley Faculty Association petition to the UCSC community. If you choose to participate, please write your campus affiliation in the comment box so that we identify ourselves as faculty across the system. Please circulate it to your colleagues and beyond.

Thank you,
The SCFA Board

Dear Colleagues,

The Berkeley Faculty Association is deeply concerned by Senator Darrell Steinberg's attempt to force the UCs, CSUs, and Community Colleges to accept credit for online courses from any source. Please help us convince him to pull or amend his bill by signing the petition at the link below.
