Dear Colleagues:

The SCFA Annual Report is now available on our website and can be accessed by clicking on this link: [SCFA 2013-14 Annual Report](#). We look forward to communicating with you more in the coming year.

We remind our members that the union makes us strong. The more members we have, the more we can do, the more resources we will have-intellectual property lawyers are expensive!-and the louder our voices will be. We encourage all members to actively recruit among your colleagues, especially new faculty members. And we encourage all faculty, members and non-members, to share your concerns with us, and let us know what we can do for you.

Wishing you all the best for the coming year,

The SCFA Executive Board.
