Dear Colleagues:

We hope that all of you who signed the Faculty Letter to the Senate Executive Committee concerning the planned Silicon Valley campus make a special effort to be at the Senate meeting April 22, 2015 at 2:30. We will be meeting at the Stevenson Event Center.

Your input into this discussion is crucial. Your votes on a resolution we plan to submit will also be extremely important. The documentation that the administration has provided on Silicon Valley leaves unanswered crucial questions about finances, effects on our campus, and other matters. Genuine Senate consultation is not possible without sufficient information, and our resolution will call for a postponement of discussion until the administration supplies the information that the SCFA and the Senate Executive Committee have requested.

This is the first of two mailings that you will receive from us this week. The second will contain the copy of a resolution that will be presented at the meeting. Please take the time to read through it when it arrives in your inbox, and please take the time to come to the meeting.
