Talk by and Strategy Session with Christopher Newfield:  "Democratizing the University:  Are Tenure-Stream Faculty For or Against?"

The SCFA invites our members and fellow travelers to a talk/strategy session with Professor Christopher Newfield, perhaps the U.S.’s foremost scholar in "university studies." Chris is Professor in the English Department at UC Santa Barbara, and is a co-organizer of the important and crucial website "Remaking the University" (utotherescue.blogspot.com). His books on the university include The Great Mistake: How We Wrecked Public Universities and How We Can Fix Them (2018) and Unmaking the Public University: The Forty-Year Assault on the Middle Class (2011). This meeting will outline Chris's sense of the state of university politics in the current period, his ideas about tactics and strategies, and a focus on how to carry on university struggles in a period of austerity. There will be a substantial time allotted to q and a.

The session will be a Zoom seminar and registration is required.  Friday June 19, 4:00-6:00 PM
