Dear SCFA members,

We are pleased to inform you of the election results. The Executive Board, following our bylaws, voted by 2/3 majority for a Board comprised of thirteen members, which was the total number of new nominees, nominees whose terms had expired but who wished to continue their service, and continuing members. Nominees are thus considered elected by acclamation. We welcome incoming board members; Madhavi Murty and Andy Skemer. Mark Anderson, Debbie Gould, Susan Gillman, Peter Alvaro, Muriam Davis, Steve McKay, and Jessica Taft have been reelected, and Noriko Aso, Chris Connery, Ronnie Lipschutz (emeritus), and Kimberly Lau will continue their terms on the Executive Board. We thank all for their willingness to contribute their time and energy to our Association.

We urge you to keep in touch with us about concerns large and small. The SCFA will continue to monitor a range of developments that affect our campus climate and conditions of employment, especially in regard to the pandemic, and we depend on you to alert us to matters of concern. In addition to supporting the unions of lecturers, librarians, staff, and graduate student employees, we will continue to participate in discussions about remote instruction, equity, and privacy, and will continue our advocacy for tuition-free college, especially in its California incarnation, "the $66 fix."

As you know, the strength of an organization depends on the engagement and commitment of its
members. Thus we encourage you, as well, to get involved in issues of particular concern, and create or join subcommittees addressing those issues. This past year was a particularly difficult one; may 2022-23 be better.

In solidarity, wishing everyone a refreshing and generative summer.

Your Faculty Association Board
